MAHABODHI SPONSORSHIP PROGRAM

Mahabodhi Sponsorship Program:

This is a program to contribute and make a meaningful and durable change in the lives of deserving children. Hundreds of poor and needy children are getting education and all other facilities, which mean new life because of our sponsorship program in Mysore, Diyun and Tawang. We request you to kindly join in this endeavour with compassionate heart and sponsor a child or a monk or an elderly orphan.

1. One girl – 480 US Dollar/ 30000 INR per year.
2. One boy – 480 US Dollar/ 30000 INR per year.
3. One elderly man or lady – 480 US Dollar/ 30000 INR per year.
4. One monk – 360 US Dollar/ 22000 INR per year.

This is not any ordinary program. The goal of every effort is to provide an education that supports intellectual as well as moral and ethical aspects in life. In other words, the teaching of Lord Buddha is an essential part of every Mahabodhi student's upbringing. In this way, Mahabodhi aims to help the children to become responsible minded adults and facilitate them to get a good modern school education to face their lives in fast changing world.

MAHABODHI SPONSORSHIP PROGRAM

Through sponsorship, you may also be in contact with the sponsored child and you will receive at least 3-4 reports every year so that you can follow up the progress. And many of our sponsors come and spend time with the children, which also give them lot of confidence and encouragement. We happily welcome you to come and stay in any of our Mahabodhi centres.

We have a non-profit charity in the USA which will entail tax exemption to your kind sponsorship donations. We thank you from the depth of our hearts and express deep gratitude for the most valuable and meaningful help and for being together in bringing the light of wisdom and compassion to many children.
